

小鼠抗 SPATC1L 单克隆抗体

中文名称: 小鼠抗 SPATC1L 单克隆抗体

英文名称: Anti-SPATC1L mouse monoclonal antibody

别名: C21orf56

储存: 冷冻 (-20℃) 避光

抗原: SPATC1L

宿主: Mouse

反应种属: Human , Dog

相关类别: 一抗

标记物: Unconjugate

克隆类型: mouse monoclonal

技术规格

Background:	The function of SPATC1L remains unknown.
Applications:	WB, IHC, FC
Name of antibody:	SPATC1L
Immunogen:	Fusion protein of human SPATC1L
Full name:	spermatogenesis and centriole associated 1-like (SPATC1L), transcript variant 2
Synonyms:	C21orf56
SwissProt:	Q9H0A9
IHC positive control:	human kidney tissue and human pancreas tissue; adenocarcinoma of human endometrium tissue
IHC Recommend dilution:	30-150

WB Predicted band size:	38 kDa
WB Positive control:	HepG2, Hela, SVT2, COS7, Jurkat, MDCK, PC12, MCF-7 cell lysates
WB Recommended dilution:	500-2000
